Re:ULTRABOND 1300 (Type V)
Spec.No.02753
R-52 No. 16386

Ms. Thomas

The product evaluation panel has considered the merits of your product application and AUTHORIZED the product ULTRABOND 1300 (Type V) for use under UDOT 2020 Standard Specification Section 02753 Full Depth Slab Replacement for Concrete Pavements 2.1.B.Epoxy Resin Adhesive Type V,Class B&C

The authorization of your product is no guarantee that it will be used on a construction or maintenance project. The approval is withdrawn if your product fails to perform according to UDOT specifications or the manufacturer's statement and performance criteria.

Please note UDOT does not endorse this product. This authorization cannot be used as an endorsement. It is the responsibility of the manufacturer to resubmit this product. Expiration date is calculated as test date (March 12,2021) plus five years or anytime the product is modified. If you fail to comply with the UDOT APL Policy, the product will be removed from the UDOT Authorized Products List.

If you have any questions, please feel free to contact my office at (801) 633-7619 Monday - Thursday 8:00 am to 4:30 pm Mountain Standard Time

Respectfully,

Timothy M. Wozab
