

Russell R. McMurry, P.E., Commissioner
 Office of Materials and Testing
 15 Kennedy Drive
 Forest Park, GA 30297
 (404) 608-4700 Main Office

November 14, 2019

Ms. Renee Thomas
 Adhesives Technology, Corp.
 450 East Copans Road
 Pompano Beach, FL 33064

Dear Ms. Thomas:

Subject: Initial Product Evaluation

The Department has approved the following products for use on our construction and maintenance projects. These products will be listed in the Qualified Products List as long as they continue to meet current specifications and perform satisfactorily in the field.

QPL-15 Epoxy Resin Adhesive

<u>Trade Name</u>	<u>Type</u>
Ultrabond 1300-FG	I-S
Ultrabond 1300-FG	VIII

The QPL listing will be shown as follows:

Adhesives Technology, Corp.	##/ USA	450 East Copans Road Pompano Beach, FL 33064 www.atcepoxy.com	954-782-2221 800-892-1880	Ultrabond 1300-FG Ultrabond 1300-FG	I-S VIII	ADHE88611 ADHE88608
-----------------------------	------------	--	------------------------------	--	-------------	------------------------

Products listed in the Qualified Products List (QPL) are subject to a yearly evaluation. Samples will be requested at a later date. The QPL is now available on the Internet at: <http://www.dot.ga.gov/doingbusiness/Materials/qpl/Pages/QPLRequirements.aspx>. We appreciate your interest in marketing products that benefit the Georgia Department of Transportation and the citizens of Georgia.

Sincerely,
