Dear Ms. Thomas,

We have received your new product submittal, ASF-1000, for use as an epoxy bonding agent for dowels.

After review of the information submitted, and laboratory testing, we are approving your product. ASF-1000 will be placed on the Qualified Bonding Agents for Dowels list, FS-1039, Table 3.

The Missouri Department of Transportation (MoDOT) reserves the right to remove this product from the Qualified List if it fails to perform satisfactorily or falls below established specifications. Any deviation for the approved product will also result in the removal of this product from the Qualified List unless MoDOT is notified of the changes and MoDOT has approved these changes.

If you have questions or need additional information, please contact me at 573-526-4351.

Sincerely,

Jeff Joens
