Dear Ms. Thomas,

We have received your new product submittal, Crackbond Epothane T3, for use as Epoxy Polymer for Concrete Overlay Systems.

After review of the documentation submitted, we are approving your product. Crackbond Epothane T3 will be added to the Qualified Manufacturers and Brand Names of Epoxy Resin Material for Polymer Concrete Overlay list, FS-1039 Table 4.

The Missouri Department of Transportation (MoDOT) reserves the right to remove this product from the Qualified List if it fails to perform satisfactorily or falls below established specifications. Any deviation for the approved product will also result in the removal of this product from the Qualified List unless MoDOT is notified of the changes and MoDOT has approved these changes.

If you have questions or need additional information, please contact me at 573-526-4351.

Sincerely,

Jeff Joens
