Dear Applicant Renee Thomas,

ADOT has determined that your CRACKBOND LR-321 LV product is approved for inclusion on our Approved Products List and will be listed with the PEP ID 24111.

If any notes have been included with the listing they will read as:

Your product will be reflected in the next APL publication.

ADOT does not endorse these products, nor can this approval be used as an endorsement. It is your responsibility to recertify this product every five years or any time this product is modified. If you fail to comply with this policy, this product will be removed from the APL. For more detail, visit our website at <https://www.azdot.gov/planning/research-center/product-evaluation-program>.

Thank you,
